

Marg has been meeting the dance supply needs of highland dancers in Alberta for over 20 years and over the past 8 years has aggressively expanded to service all of Canada, the United States and the world via the Internet. Marg has extensive knowledge of highland dancing from her experience as a parent to the Johnson dancing family and even her own highland dancing days in Bow Hill, Scotland. Two of Marg's children were champion highland dancers and they now run a successful Highland Dance School and are members of the British Association of Teachers of Dancing.

Marg is a life member of both the Calgary and Alberta Highland Dancing Associations. Upon the receipt of her life memberships she was commended for her commitment to providing Alberta dancers with quality and affordable Scottish Official Board of Highland Dancing regulation costumes. Marg's costumes meet all current Scottish Official Board of Highland Dancing regulations. Many champion dancers wear costumes and plaids supplied by Marg. She prides herself on her affordable prices, quality products, and fast turnaround time
